#### INDEPENDENT AUDITORS' REPORT

March 21, 2007

Board of Directors Chippewa - Luce - Mackinac Community Action Human Resource Authority, Inc.

We have audited the accompanying statement of financial position of the *Chippewa - Luce - Mackinac Community Action Human Resource Authority, Inc.* (the "Authority") (a not-for-profit organization) as of September 30, 2006, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these financial statements based on our audit.

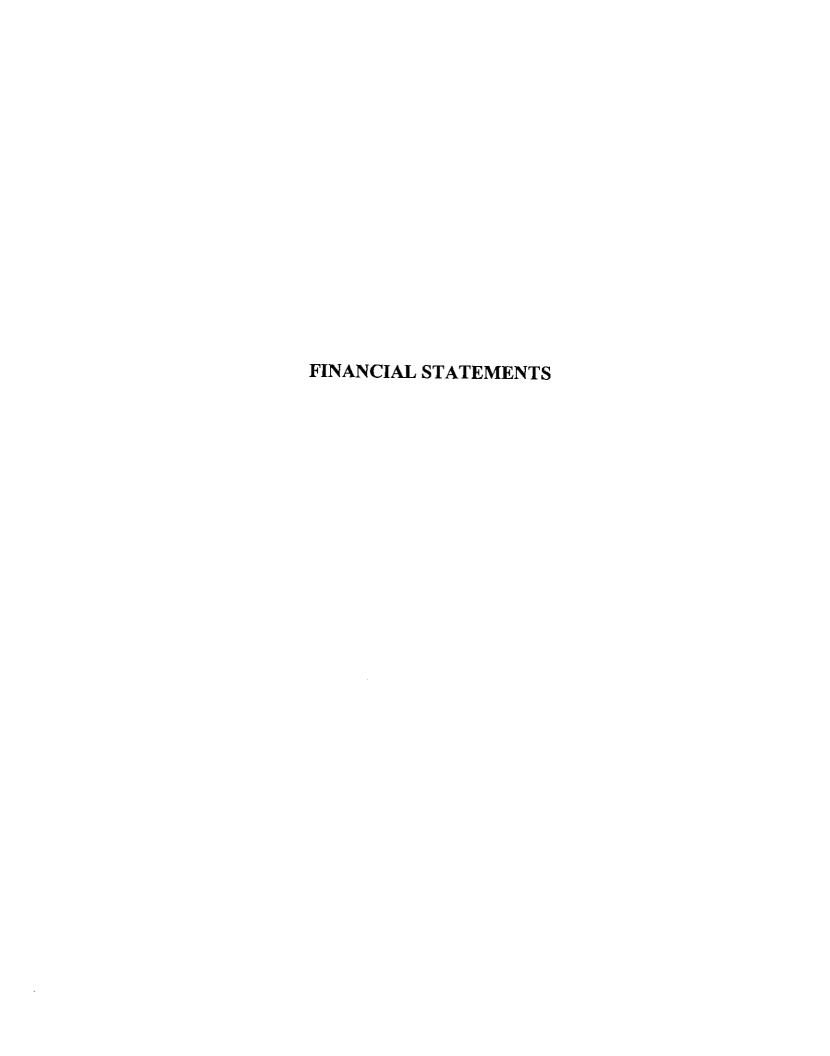

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority as of September 30, 2006, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated March 21, 2007 on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the financial statements of the Authority taken as a whole. The accompanying schedule of expenditures of federal awards, as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and the accompanying supplemental financial information as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

#### **Summary of Significant Accounting Policies**

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of support, revenues and expenses during the year. Accordingly, actual amounts could differ from those estimates.

#### Basis of Accounting

The financial statements of the Authority have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables, and other liabilities.

#### Financial Statement Presentation

To ensure observance of limitations and restrictions placed on the use of available resources, the accounts of the Authority are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting into funds established according to their nature and purposes. For external financial reporting purposes, however, the Authority reports resources classified into unrestricted, temporarily restricted, or permanently restricted net asset categories according to the existence or absence of donor imposed restrictions.

#### NOTES TO FINANCIAL STATEMENTS

#### Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits in banks and cash on hand. The Authority periodically has deposits in financial institutions in excess of federally insured limits; management believes interest rate fluctuation or other financial risk associated with these deposits is not significant. For the purposes of the Statement of Cash Flows, the Authority considers cash deposits and certificates of deposits with a maturity of three months or less when purchased to be cash equivalents.

#### Investments

Investment securities consist of 2,400 shares of common stock of an entity for which shares are not publicly traded; investments are accounted for using the cost method.

#### Revenue Recognition

Revenues from funding agencies are recognized over the contract terms with the funding agencies.

#### Grants and Accounts Receivable

Grants receivable and accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Based on management's assessment of the payment history of grantors and other entities with amounts due to the Authority, and current relationships with them, management has concluded that realization losses on balances outstanding at year-end will be immaterial.

#### Property and Equipment and Depreciation

Property and equipment are recorded at historical cost or, in cases of donated assets, at estimated fair value on the date of gift. Management annually reviews these assets to determine whether carrying values have been impaired. Depreciation is recognized using the straight-line method over the estimated useful lives of the assets, which range from 3 to 40 years. Expenditures for major renewals and betterments that extend the useful life of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

#### NOTES TO FINANCIAL STATEMENTS

#### **Contributions**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

#### In-Kind Contributions

Volunteers assist the General Administration, Health and Human Services, Senior Programming and Early Childhood Education programs. The Authority assigns values to such services performed by volunteers when salaried personnel would otherwise perform such services. The Authority values these services at the federal minimum wage, except in those instances where teaching, physician or a nursing service is rendered or if a grantor has preapproved a rate for a specified service. In these situations, the current prevailing wages are recorded. In addition, space is donated to the senior program to operate it's meal program. Space is valued at the current market rate of rental. Total inkind revenue recognized for the year ended September 30, 2006 was \$764,383 and is reflected in the accompanying financial statements as both support and expense.

#### Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### Compensated Absences

The Authority's eligible employees may accumulate up to 30 days of annual leave. Annual leave is recorded as an expense in the fiscal year in which it is earned.

#### Income Taxes

The Authority is a not-for-profit organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and is also exempt from similar state and local taxes.

The Authority's contribution to the plan for the year ended September 30, 2006 was \$173,863.

#### 5. LEASES

The Authority leases classroom facilities from outside organizations. Facilities are rented on a month-to-month basis. Total rent expense for the year ended September 30, 2006 amounted to approximately \$120,000.

#### 6. CONCENTRATIONS

The Authority receives a substantial amount of its support from federal, state and local governments. A significant reduction in the level of this support would adversely impact the current levels of programs and activities.

#### 7. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets include an advance grant payment from the Sault Ste. Marie Band of Chippewa Indians to be used for future Low Income Heating Assistance Program expenses in the amount of \$2,733. Premiums charged to contracts and not yet expended are temporarily restricted for future health claims in the amount of \$107,323.

#### INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

March 21, 2007

Board of Directors Chippewa – Luce – Mackinac Community Action Human Resource Authority, Inc.

We have audited the financial statements of Chippewa-Luce-Mackinac Community Action Human Resource Authority, Inc. (the "Authority") as of and for the year ended September 30, 2006, and have issued our report thereon dated March 21, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Authority's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the Board of Directors, management, others within the Agency, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

#### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

March 21, 2007

Board of Directors Community Action Agency Jackson, Michigan

#### **Compliance**

We have audited the compliance of Chippewa-Luce-Mackinac Community Action Human Resource Authority, Inc. (the "Authority") with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended September 30, 2006. The Authority's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the Authority's management. Our responsibility is to express an opinion on Community Action Agency's compliance based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Authority's compliance with those requirements.

In our opinion the Authority complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended September 30, 2006

#### **Internal Control Over Compliance**

The management of the Authority is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Authority's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the Board of Directors, management, others within the Authority, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
